

	DEPARTMENT OF SCIENCE AND TECHNOLOGY DOST Regional Office No. IX	DOCUMENT CODE	QM-DOST IX 02-01
	QUALITY MANUAL	REVISION NUMBER	3
		PAGE NUMBER	1 of 1
SECTION	QUALITY MANUAL OBJECTIVE, AUTHORIZATION AND DISTRIBUTION	EFFECTIVITY DATE	01 July 2023
SUBJECT	OBJECTIVES OF THE QUALITY MANUAL		

This Quality Manual aims to:

- *Provide an overview of DOST-IX's quality policies and key requirements. Serve as a documented information that defines the organization's intentions for operating and executing processes within its quality management system.*
- *Consistently communicate information about the Quality Management System of DOST Regional Office No. IX, both internally and externally.*
- *Showcase the commitment of DOST Regional Office No. IX, through its established Quality Management System, to meet and exceed the requirements and expectations of customers, suppliers, stakeholders, and other interested parties.*
- *Maintained a documented system that serves as the basis for auditing the implementation and effectiveness of the QMS.*
- *Ensure the continuity of the agency's QMS and uninterrupted business operations during changing circumstances.*
- *Demonstrate compliance with the requirements of the ISO 9001:2015 standard upon which this QMS is based.*
