SETUP PROJECT PROPOSAL

PROJECT TITLE:
PROPONENT:
PROJECT COST:
AMOUNT REQUESTED:

OBJECTIVES:

General Objectives:

Specific Objectives:

PROJECT BACKGROUND:

A. Company Profile:

Name of Firm Address Contact Person Contact No. e-mail Address Year established Type of Organization (please check appropriate box in each row) Single Proprietorship Partnership Partnership Non-Profit Non-Profit (P3,000,001 – P15M Total or less) Asset Value) Type of Employment Direct Workers Name of Firm Partnership Non-Profit Partnership Part	Corporation Total Asset		
Contact Person Contact No. e-mail Address Year established Single Proprietorship Partnership Cooperative Cooperative Profit Non-Profit (please check appropriate box in each row) Micro (P3M Total Asset Value or less) Type of Employment Male Female			
Contact No. e-mail Address Year established Type of Organization (please check appropriate box in each row) Type of Employment Medium (P3,000,001 – P15M Total or less) Type of Employment Male Female			
e-mail Address Year established Type of Organization (please check appropriate box in each row) Single Proprietorship Partnership Cooperative C Profit Non-Profit Small (P3M Total Asset Value (P3,000,001 – P15M Total or less) Asset Value) Type of Employment Male Female			
Year established Single Proprietorship Partnership Cooperative			
Type of Organization (please check appropriate box in each row) Single Proprietorship Partnership Cooperative Coperative Non-Profit Micro (P3M Total Asset Value or less) Asset Value) Type of Employment Male Female			
Type of Organization (please check appropriate box in each row) Profit Non-Profit Small (P3M Total Asset Value or less) Asset Value) Profit Non-Profit (P3,000,001 – P15M Total (P15,000,001 – P100M Value) Value) Type of Employment Male Female			
Type of Organization (please check appropriate box in each row) Profit Non-Profit Small (P3M Total Asset Value or less) Asset Value) Profit Non-Profit (P3,000,001 – P15M Total (P15,000,001 – P100M Value) Value) Type of Employment Male Female			
(please check appropriate box in each row) Micro (P3M Total Asset Value or less) Small (P3,000,001 – P15M Total or less) Medium (P15,000,001 – P100M Value) Type of Employment Male Female	Total Asset		
box in each row) (P3M Total Asset Value or less) (P3,000,001 – P15M Total or less) (P15,000,001 – P100M Value) Type of Employment Male Female	Total Asset		
or less) Asset Value) Value) Type of Employment Male Female	Total Asset		
Type of Employment Male Female			
I Diract Workers	Total		
Number of Employee Production			
(Please indicate number of Non-Production			
employee) Indirect/Contract			
Workers Total			
	Data of Degistration		
	1		
DTI SEC			
Registration CDA	_		
Others, please specify			
BIR			
Mayor's Permit			
Business Activity/ies: Food Processing Furniture			
(please check appropriate Metals & Engineering Agriculture/ Marine/ Aquaculture			
	Others, please specify: Manufacturing		
Products/Services	<u>g</u>		
Brief Enterprise			
Background			

B. Management/Administrative Aspect

- 1. Organizational chart
- 2. Skills and expertise of employee
- 3. Compensation
- C. Plant site or location (including vicinity map)
- D. Capacity, volume and cost of production
- E. Raw material/s used and sources of raw material

MARKETING ASPECTS

- A. Market situation, product demand and supply
- B. Product specifications and product price
- C. Distribution channel (local/export)
- D. Competitors
- E. Existing problems (if any)
- F. Market plans/strategies

TECHNOLOGICAL ASPECTS

A. Production Process

Process flow of Production

Material Balance

- B. Existing Production Equipment.
- C. Technical constraints on the production line and proposed S&T intervention

Process/ Existing Practice/ Problem	Proposed S&T Intervention	Proposed S&T intervention-related equipment/ skills upgrading	Impact	

Proposed Plant Lay-out

D. Cost and specification of S&T Intervention Related Equipment

S&T Intervention-related equipment/specification	Qty	Unit Cost	Total Cost

- E. List of equipment fabricators (name and address)
- F. Schedule of activities for the proposed project
- G. Expected Output/Impact (measured results)
 - 1. Percentage increase in productivity
 - 2. Improved quality of product/s
 - 3. Contribution to the production line/process
 - 4. Percentage decrease in rejects
 - **5.** Additional clients
 - **6.** Others (please specify)

WASTE MANAGEMENT/DISPOSAL

- A. Volume of waste generated monthly
- B. Kinds of wastes (plastics, paper, metals, chemicals, pollutants, etc.)
- C. Methods of disposal

FINANCIAL ASPECT

- A. Financial capacity
 - Financial ratio and analysis
 - Partial budget analysis
 - Net profit argin ratio
 - Liquidity ratio
 - ROI
- B. Financial constraints
- C. Cash flow/ financial statement/ balance sheet
- D. Budgetary Requirement for the proposed project

Item of Expenditure	Qty	Unit Cost	Cost		
			SETUP	Cooperator	Total
					1,014,000.00
					1,110,000.00
Total					5,879,379.26

(note: cost-sharing of an item is not allowed due to issue on ownership)

E. Proposed Refund Schedule

Months	Y1	Y2	Y3	Y4	Y5	Total
January						
February						
March						
April						
May						
June						
July						
August						
September						
October						
November						
December						
Total						2,904,385.32

(note: Refund schedule shall be within a period of three (3) to five (5) years depending on the nature/amount of project. Cooperator may opt to purchase all the equipment at the end of the refund period at one-half of one percent of the equipment acquisition cost.)

RISK MANAGEMENT PLAN
